

Admissions

Inquiry

The best way to start the application process is with a phone call to our school office at (808) 982-7701. We are happy to discuss our school with you, to determine if it is the right option for your child and your family. We welcome you to visit our beautiful campus by either calling to schedule a tour or by attending one of our Open Houses ([link to Calendars](#)), Festivals ([link to Calendars](#)), or Community Events ([link to Calendars](#)),.

Application

If Malamalama Waldorf School is a school of choice for your child, please fill out an application ([link to inquiry packet](#)) and send it in with the \$50 application fee.

Interview

An interview will then be set up for you and your child with a teacher of your child's grade. Your child may be invited to spend some time visiting the class he or she is applying for.

Enrollment

Following your child's acceptance, you will be sent an enrollment contract. Please return this with the required supply fee and tuition deposit.

Malamalama Waldorf School is committed to children and their families.

A large percentage of our students' families have tuition rates adjusted according to need.

Education at a true independent Waldorf School is possible! Please feel free to speak with us openly about your needs when you inquire.

For more information or to apply for our Tuition Adjustment Program please download the following applications:
